

## **UPDATE 1**

During this extraordinary time, Dr Wallace and partners have taken the difficult decision to move Woburn surgery patient services to Asplands from Monday 23rd March.

We will continue to provide care and support for all our patients from Asplands. If you phone Woburn the call will still be answered as we have a single phone system.

After Monday 23rd March, all patients who would usually collect medication from Woburn should arrange collection from Asplands. We are developing ways to support our most vulnerable patients with volunteers so if you need help please let us know.

This is a temporary change to our services so that we can continue to maintain a high level of care for our patients. We are very grateful for your support and understanding.
