

What to do with large and bulky rubbish

During the COVID-19 pandemic many of us have had time for a good old clear out of our homes and lofts.

But what to do with it all?

Reuse and recycle

Your unwanted items could still be of use to someone else. There are lots of ways to sell or give away unwanted things.

- Search online for local selling sites or Facebook groups where items can be sold or given away free to MK residents. You could also list your item for sale on eBay or Amazon marketplace.
- Save your items ready to donate to a local charity once they open. They accept all types of household items, including clothing, toys, bric-a-brac and many can collect larger items of furniture.
- House clearance firms will clear homes and make a charitable donation from their profits. Many items are reused for community projects, some charges may apply.

Dispose

- Household Waste Recycling Centres (the 'tips') are open by appointment only. Book by calling 01908 252 811.
- To arrange a bulky waste collection call 01908 252570. This chargeable service is for items such as household furniture, carpets, white goods, microwaves, TVs, garden waste and rubbish bags. We can't collect hazardous waste and items like car batteries, tyres, sheets of glass or commercial waste.
- If you are having a large clear out consider hiring a skip.
