Community Car Scheme

Volunteer Drivers Wanted!

Do you have some free time?

Are you a car owner and enjoy driving?

Would you like to help people in your local area by becoming a volunteer car driver?

We are looking for people willing to give their time to transport local residents to a range of medical appointments and social care activities. These are generally in Milton Keynes and local area, but can occasionally be to other hospitals out of area.

You do not have to travel to areas you are not familiar with and the voluntary role is totally flexible, with you choosing which journeys to do, when and how often.

You will need your own car, and a mileage allowance is paid. You will be asked to provide information for the Disclosure & Barring Scheme and a full driving licence check.

For more information please get in touch with either Tracy Whitmore or Laura Jeffery on **01908 670309** or email: ccsmk@communityactionmk.org.
